Overwhelming Crowds Took Possession Yesterday Half Price Sale the Cause

WHEN fifteen salespeople are unable to cope successfully with an enthusiastic crowd of buyers you may know a Calisher 1/2 Price Sale of Ready-to-Wear is going on. Our store space and sales force was totally inadequate yesterday. The only thing that did stand the test of the enormous crowds was large stocks of Ready-to-Wear and the unquestioned values offered. As we do not propose to carry a single winter garment into the new store you can readily understand that 1/2 price—in many cases less—leaves nothing for the economical buyer to desire. From now on we believe our service will be entirely satisfactory. Come tomorrow and judge for yourself.
